

# Your story deserves to be heard.

## Why

Over the last year, we have reframed who is 'essential', redefined what it means to be 'together' and placed our faith in one another and the people we voted for.

Now more than ever it's vital that companies stand for something larger than themselves.

Partnering with **RIPPLE OF CHANGE** is a visible demonstration of your brand's commitment to doing social good. Tell the world what you're doing, and how they can join you in making a difference.

## How

### Sponsored Content

Your story told by our editorial team of writers.

### Advertising

Purchase space and place your ad in the company of inspiring stories of humans making a difference.

## When

**The time is now.** There's a rumbling of change reverberating around the globe, catalyzed by the realization that we must come together.

**What will you do?**
